

**Example:**

**PROBATE COST ESTIMATE TEMPLATE**

**Legal fees**

- |                                 |                  |
|---------------------------------|------------------|
| • Fee for grant of probate only | £500.00 plus VAT |
| • Fee for estate administration | 3%               |
| • VAT on legal fees             | 20%              |

**Disbursements** (these are costs payable to third-parties that relate to your matter, for example stamp duty when buying a house).

- |                      |         |
|----------------------|---------|
| • Probate Court Fees | £157.50 |
|----------------------|---------|

**GRAND TOTAL (for Grant of Probate Only)**      £757.50

**Note:** In the unlikely event your matter will exceed this cost, you will be informed of this as early as possible. Matters typically exceed the quoted fee when they are particularly complicated.

Unlike the conveyancing estimate, we do not believe that it would be sensible to provide at this stage an estimate of any tax that might be payable as that will depend on too many variables within the estate. This will be discussed in more detail in due course.
